NEW ANCHOR TENANTS NOW OPEN AT MIRACLE MILE SHOPPING CENTER

MONROEVILLE, PA – Zamias Services, Inc. is pleased to announce the opening of K&G Fashion Superstore and Office Max, two new anchor tenants at Miracle Mile Shopping Center. The two stores combined add over 40,000 sf of retail shopping to the Monroeville area, which is located 12 miles east of Pittsburgh.

K&G Fashions is a division of The Men's Wearhouse, and the newly opened Miracle Mile location is the company's first store in the Pittsburgh market. This large, 20,000 sf, store offers both men's and women's fashions and accessories, creating a dominant assortment of brand name and private labels. K&G Fashion Superstore caters to the traditional shopper, as well as the most fashion-forward. Their philosophy is to offer a value proposition that's second to none in the retail clothing environment.

The new, 22,000 sf, OfficeMax store features the company's newest prototypical store design, which includes low-profile displays, a centrally located technology hub, an Office Max café, wider aisles, and aisle-free checkouts.

Miracle Mile Shopping Center is located on U. S. Route 22/William Penn Highway in Monroeville, just ½ mile from the PA Turnpike Interchange and Interstate 376 (Parkway East).
